

Figure 8 Western Pro Championship Rules

1. Drivers must have their own scorekeeper. The scoring person shall be located in the designated grandstand location.
2. Car numbers: local track numbers shall prevail over all others. In case of duplicate car numbers, Toyota Speedway at Irwindale shall issue a number (from numbers available). All car numbers must be legible from race control.
3. Cars rules: cars built to Figure 8 rules from tracks with weekly racing programs for Figure 8 racing, and have raced under those rules at that track in 2009 may compete under those car rules, except for rules listed below (bring a complete copy of your track's 2009 rules). Cars that have not raced in series events under track rules this season must pass Toyota Speedway at Irwindale's tech inspection.
4. Track course: All drivers must go outside the (4) four corner markers that enter and exit each turn. Failure to follow course shall result in a loss of lap(s). Decision made by the Race Director shall be deemed final.
5. Tires: Toyota Speedway at Irwindale approved tires only, Hoosier F55.
6. Fire Extinguisher mandatory, in operable condition, and securely mounted.
7. Driver left door window net mandatory, with SFI label, within five years.
8. Windshield or heavy screen mandatory.
9. Seatbelts required, with SFI label, within 2 years.
10. Full roll cage, subject to Toyota Speedway at Irwindale's tech inspection.
11. Helmet required, SA95 or newer, or M95 or newer with head sock.
12. Mufflers must be capable of maintaining a maximum of 90 DECIBALS AT 100 FEET.
13. ALL SAFETY EQUIPMENT IS SUBJECT TO THE APPROVAL OF TOYOTA SPEEDWAY AT IRWINDALE OFFICIALS.
14. Traction control not permitted.
15. Heat races: _____
